

CELEBRATION!!

Villa Montessori Center is marking 15 Years of

Fostering Success in Young Children,

who live in Cleveland's

Slavic Village area, an inner-city neighborhood.

Everyday your support brings our **mission** to life as

Villa Montessori Center teachers and staff instill

a strong academic and religious foundation.

In honor of this **15th Anniversary,** we invite you

to continue **Fostering Success in Young Children**

by making a gift of \$15,

or any multiples thereof, example ($\$15 \times 15 = \225).

During this economic downturn, your gift at any level

is deeply appreciated and will provide greatly

needed resources for a nurturing and safe

educational environment.

For your convenience, a pre-addressed envelope is included.

Again, thank you for your belief and support in this **Ministry.**
